

Jack Arrowsmith

Douglas County, Colo. Clerk and Recorder

Job Function(s): Elections, Motor Vehicles, Driver's License, Recording, Land Records and Clerk to the Board

How long I've been doing this job: In my fifth year

Professional/Work Background: Degree in Business and Education – served four years as the Douglas County Public Trustee

The best part about my job is serving citizens and having no two days that are the same.

The most challenging thing about my job is providing a very high level of service in the face of continuing financial restraints.

I am most proud of the fact that Douglas County is considered a leader in the state and we have an extremely high satisfaction

I have never considered myself to be a bureaucrat.

I admire those individuals who thrive in serving their fellow citizens.

My advice to others is whatever your job might be, leave it in a better place than you found it.

I am a member of NACRC because I love being part of a group that is excited about public service and strives to improve the process.

My favorite...
