How long I've been doing this job: since January 1993 (18 years)

Professional/Work Background: Real Estate Broker, Title Company owner

The best part about my job is that I have a variety of different areas with which to work.

The most challenging thing about my job is managing 28 employees.

I am most proud of automating every aspect of my job since taking office.

I have never been arrested.

I admire those who give their time in service.

My advice to others is be proud of who you are and get involved.

I am a member of NACRC because I can network with clerks from all over the country to improve my skills to be more efficient at my jobs.

My favorite...
