

## JOINT EDUCATIONAL ALLIANCE

Between

National Association of County Recorders Elections Officials and Clerks  
AND  
Property Records Industry Association

WHEREAS, the Property Records Industry Association (PRIA), after extensive research, collaboration and industry participation, develops standards, best practices and model legislation for the land records industry;

WHEREAS, the National Association of County Recorders, Elections Officials and Clerks (NACRC) provides its members education and informational opportunities at a national level concerning their respective offices;

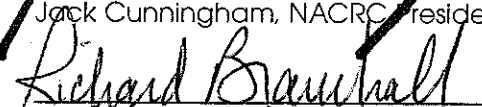

WHEREAS, NACRC recognizes the need to promote educational opportunities to understand and promote adoption of the PRIA standards;

WHEREAS, NACRC strives to keep its members fully informed on rapidly changing technology;

WHEREAS, NACRC offers a Certified Public Official (CPO) education program;

THEREFORE, be it resolved, the National Association of County Recorders, Election Officials and Clerks' Board of Directors seeks to create a joint educational alliance with the Property Records Industry Association to provide a continuing education forum for both organizations to support the education and adoption of standards and best practices created by the Property Records Industry Association.
