

## NACRC 2010 Annual Conference Reno/Lake Tahoe/Carson City Tour Thursday, July 15, 9:15 am-4:30 pm

Join us Thursday, July 15 before the Annual Conference for a tour through Reno, Lake Tahoe and Carson City, Nev.

After hearing about the history of Reno on the way to Lake Tahoe, you will be welcomed aboard the **M.S. Dixie II**. A classic example of the riverboats found on the waterways of America during the steamboat era of the 1860's, she continues to provide the Dixie's famous tradition of great food and unbeatable

hospitality. The boat will depart from the pier and begin leisurely cruising along the southern shoreline as the towering mountains above Stateline come into full view. Enjoy sightseeing from all three decks of the M.S. Dixie II, the largest, most sophisticated paddle wheeler ever to cruise Lake Tahoe.

While taking in the spectacular scenery, enjoy lunch aboard the boat, complete with chicken parmesan, red-skinned mashed potatoes, vegetables, rolls and your choice of wine, beer, soda or tea. Let your mind wander back in history as you listen to the legends of Lake Tahoe. Truly an afternoon of unforgettable scenery!

Next your Reno Ambassador will take you past historic Victorian homes, and then you will tour the Governor's mansion in Carson City.

The total cost is \$100 per person, which includes transportation, meals and all tour tickets. If you would like to register for the tour please check the corresponding box on the Annual Conference Registration Form and send to 2501 Aerial Center Parkway Ste. 103, Morrisville, NC 27560 or fax to 919.459.2075.
