| 3:15-4 pm                | Land Records: eRecording - It Just Works! - <i>Carol Foglesong, Assistant Comptroller, Orange County, Fla. and Mark Ladd, PRIA Technology Consultant</i> - Wondering how all that eRecording stuff works? Or how to get started? Or where to find the answers? Maybe you already are eRecording but want to move to the next level. This session will help you to gear up and be ready for the next recording boom. Your volume may be down today, but it won't stay that way. Position your county for success with eRecording. No hassles, no legal challenges and no known fraud. It's the faster, safer, more secure way to record documents.   | Washington 6            |
| 3:15-4:45 pm             | Court Admin/Clerk to Board/Vitals & Passports: Archiving Audio/Video Files - <i>Moderator: Jack Arrowsmith, Clerk &amp; Recorder, Douglas County, Colo.</i> - In the past clerks/recorders have been responsible for preserving written documents. Now more and more meetings are being recorded through audio and video files. Preserving this data poses new problems. This session will start with a brief overview of the problems we are experiencing in Douglas County, Colo. Items will include changing technology and questions about which represents the official representation of meeting. Participants will be encouraged to share problems and solutions they are experiencing in this area. Possible outcomes might include the decision to move forward with a "Best Practices" as it relates to preserving and retaining audio and video files. | Washington 5            |
| 3:15-4:45 pm             | Elections: The Federal Voting Assistance Program and MOVE Act Implementation - <i>Bob Carey, Director, Federal Voting Assistance Program</i> - The Military and Overseas Voter Empowerment Act (MOVE Act) significantly changes both State and federal responsibilities in supporting military and overseas voting under the Uniformed and Overseas Citizen Absentee Voting Act (UOCAVA). To help States and local election officials (LEOs) meet those requirements, the Federal Voting Assistance Program (FVAP) is undertaking a series of robust education and technical development initiatives to advise States and LEOs as to their responsibilities, and what assistance is available from FVAP.  | Jefferson               |
